

## DSCOOP 2017 IN LYON

June 7<sup>th</sup> - 9<sup>th</sup> 2017 in Lyon, France

Are you attending the Dscoop conference this year? Come and see Folex at the Dscoop event in Lyon, France from June 7th – 9th, 2017 on stand 61.

## FOLEX AT THE DSCOOP 2017

Folex is an official HP Alliance One Media partner and introduced its first certified Indigo material in 1994, today it has a range of films in clear, white, matt translucent & silver metallic as well as adhesives, static clings & T-Shirt transfer products, all officially certified for the HP Indigo press.

We produce materials and have already certified substrates also for the new B2 formats. Its Print On business in addition to HP Indigo also includes specialty materials for laser toner digital presses. Our large format Ink Jet business includes materials such as PET, PP & R-PVC, canvas & papers used within the markets of banner, roll-up, pop-up, backlit, adhesives, fine art & photo all with compatible coatings for latex, solvent, UV and aqueous inks.

## WHAT'S HAPPENING AT DSCOOP?

New technology, products and services from HP and Dscoop Partners will be on display at the Palais de Congrès in Lyon. Learn from the experiences of business leaders in educational sessions, connect with your digital printing peers across EMEA and get inspired to grow by the very latest industry innovations.

For more information and details on the event in Lyon please go to <http://www.dscoopemea.org/>

## ABOUT FOLEX

The company is a privately owned family business, established over 157 years old, with a strong heritage of coating substrates for different markets. It has production sites with 9 coating lines in the group in Cologne and Erlangen Germany and Seewen in Switzerland and distributes products throughout the world. New product development from our internal R&D departments ensures we are constantly innovating and are ISO 9001-2008 compliant. We welcome your new product and project ideas.

Folex looks forward to welcoming you to the booth.
